

SYDNEY BIBLE BAPTIST COLLEGE

July 2020

Greetings Brethren,

After an early release from studies due to Covid-19 imposed restrictions, we were all glad to be back in class (with some minor adjustments) at the commencement of term II! We praise the Lord for His good hand of protection, for His wisdom and for the spirit of unity and cooperation amongst the students and lecturing staff. Our students have now completed their final semester exams and we are excited about the prospects for Semester II, 2020!

The new semester at SBBC offers new opportunities, and we earnestly seek your prayers as we embark on this season of learning. We have a fine group of men earnestly desiring to serve their Lord and in Semester II Pastor Williamson will be instructing them in 'Homiletics – the Art of Sermon Preparation and Presentation'. Meanwhile, Mrs Loris Williamson will be leading a specially designed course for ladies. 'Speech' is a subject to equip the Christian woman to study and present truths from His Word and is sure to be a blessing and aid to all ladies who enrol. Also, Pastor Jon Hall will be travelling from Nowra to teach on the Minor Prophets. Pastors, please let any of your preacher boys, or teacher ladies, know and avail themselves of these opportunities! Bible History and Church History will continue on Tuesday nights. New students are welcome to join these classes. In this second semester of Church History we will be incorporating a study of Australian Christian History. As a nation we have a Christian heritage and this needs to be known! We encourage you to let your people know of this opportunity of study on Tuesday evenings.

As the semester concluded my wife and I spent an evening of fellowship together with the students. We thank the Lord for each one and ask you pray that each one will seek the will of God for their life and surrender to Him.

We have several people looking seriously at study for the remainder of the year; please pray for these and for others to surrender to the Lord's will!

Thank you for your ongoing support of our college ministry.
